I've had a lot of requests to create another Digi Set featuring our intrepid duo- Eunice & Gertrude. SO- I asked the girls what they do on their "down" time. When they aren't at the beach, cooking, or dining and dancing- they are **CRAFTING** (and having a little wine). That's what they do- just like the rest of us! Who would've guessed... This **Crafty Digi Set** is available now for Instant Digital Download at my shop and on Sale for August- part of our **Eunice & Gertrude Sale!**
